TREATMENT OF CLASSES

5.1 **Satisfaction of Claims and Debts:** The treatment of and consideration to be received by holders of Allowed Claims or interests pursuant to this Article 5 of this Plan shall be in full settlement, release and discharge of their respective Claims, Debts, or interests as against the Debtor subject to the provisions herein. On the Confirmation Date, the Reorganized Debtor shall assume all duties, responsibilities and obligations for the implementation of this Plan. Any class of Claimants failing to vote on this Plan shall be deemed to have accepted this Plan in its present form or as modified or amended as permitted herein.

5.2 **Class 1 Claimants (Allowed Administrative Claims of Professionals and US Trustee)** are unimpaired and will be paid in cash and in full on the Effective Date of this Plan. Professional fees are subject to approval by the Court as reasonable. Debtors' attorney's fees approved by the Court and payable to the law firm of Eric Liepins, P.C. will be paid immediately following the later of Confirmation or approval by the Court out of the available cash. This case will not be closed until all allowed Administrative Claims are paid in full. Class 1 Creditor Allowed Claims are estimated as of the date of the filing of this Plan to not exceed the amount of \$20,000 including Section 1930 fees. Section 1930 fees shall be paid in full prior to the Effective Date. The Debtor is required to continue to make quarterly payments to the U.S. Trustee and may be required to file post-confirmation operating reports until this case is closed. The Class 1 Claimants are not impaired under this Plan.

5.3 Class 2 Claimants (Allowed IRS Secured and Priority Tax Creditor Claims) are impaired and shall be satisfied as follows: The Allowed Amount of all Secured and Priority Tax Creditor Claims of the Internal Revenue Service ("IRS") shall be paid out of the revenue from the continued operations of the business. The Secured and Priority Tax Creditor Claims are alleged to be in approximate amount of \$682,921.04 in the Anderson case and \$207,053.86 in the PA case. The Debtors would show that these amounts are inaccurate because Anderson has been making adequate protection payments during the case, and the PA Proof of Claim asserts claims for unfiled returns at a time the PA was not operating. The Allowed Secured and Priority Claims of the IRS shall be paid over 60 months period commencing on the Effective Date, with interest at a rate of 4% per annum. If all the amounts in the Proofs of Claim were allowed the monthly payment would be \$16,418.90. The IRS unsecured claim shall be treated under Class 6. The IRS shall retain their liens against the property of the Debtor, but shall release their liens, if any, when paid in full as called for by this Plan.

a. **Events of Default.** The occurrence of any of the following shall constitute an event of default under the Plan:

1) **Failure to Make Payments.** Failure on the part of Debtor to pay fully when due any payment required to be made in respect of the Plan Debt. However, due to the size and ongoing nature of the IRS's claim, upon a default under the plan, the administrative collection powers and the rights of the IRS shall be reinstated as they existed prior to the filing of the bankruptcy petition, including, but not limited to, the assessment of taxes, the filing of a notice of Federal (or state) tax lien and the powers of levy, seizure, and as provided under the Internal Revenue Code. As to the IRS:

(A) If the Debtor or its successor in interest fails to make any plan payment, or deposits of any currently accruing employment or sales tax liability; or fails to make payment of any tax to the Internal Revenue Service within 10 days of the due date of such deposit or payment, or if the Debtor or its successor in interest failed to file any required federal or state tax return by the due date of such return, then the United States may declare that the Debtor is in default of the Plan. Failure to declare a default does not constitute a waiver by the United States of the right to declare that the successor in interest or Debtor is in default.

(B) If the United States declares the Debtor or the successor in interest to be in default of the Debtor's obligations under the Plan, then the entire imposed liability, together with any unpaid current liabilities, may become due and payable immediately upon written demand to the Debtor or the successor in interest.

(C) If a payment is not made within 14 days of such demand, then the Internal Revenue Service may collect any unpaid liabilities through the administrative collection provisions of the Internal Revenue Code. The IRS shall only be required to send two notices of default, and upon the third event of Default the IRS may proceed to collect on all amounts owed without recourse to the Bankruptcy Court and without further notice to the Debtor. The collection statute expiration date will be extended from the Petition Date until substantial default under the Plan. All payments will be sent to: IRS, attn: Lorraine Washington, 1100 Commerce Street, Mail Code 5024 DAL, Dallas, Texas 75242.

(D) The Internal Revenue Service shall not be bound by any release provisions in the Plan that would release any liability of the responsible persons of the Debtor to the IRS. The Internal

Revenue Service may take such actions as it deems necessary to assess any liability that may be due and owing by the responsible persons of the Debtor to the Internal Revenue Service; but the Internal Revenue Service shall not take action to actually collect from such persons unless and until there is a default under the Plan and as set forth above.

The Class 2 Claimants are impaired under this Plan.

5.4 **Class 3 Claimants (Allowed Property Tax Creditor Claims)** The Allowed amount of Property Tax Creditor Claims shall be paid out of the continued operations of the Debtor. The claims of the Grayson County for certain unpaid ad valorem tax claims are asserted to be \$24,275.17. The ad valorem taxes will receive post-petition pre-confirmation interest at the state statutory rate of 1% per month from the Petition Date until the Effective date and post-confirmation interest at the rate of 12% per annum from the Effective Date until payment in full. The Debtor will pay these Class 3 creditors over a period of 60 months from the Petition Date commencing on the Effective Date. The Debtor's monthly payment to pay these Class 3 Creditors will be approximately \$791. The Property Tax Creditors shall retain their liens, if any, to secure their Class 3 claims until paid in full as called for by this Plan. The taxing authorities shall retain their liens that secured all amounts owed for tax year 2017 ad valorem property taxes.

The Class 3 Claimants are impaired under this Plan.

5.5 **Class 4 Claimants (Allowed Claims of the Comptroller)** are impaired and shall be satisfied as follows: The Allowed amount of Tax Claims of the Comptroller for Franchise Tax is asserted to be \$4,200. The Debtor's monthly payment to pay the Class 4 Creditors will be approximately \$513.68. The Comptroller shall retain its liens, if any, to secure their Class 4 claims until paid in full as called for by this Plan.

A failure of the reorganized debtor to make a plan payment to a tax creditor pursuant to the terms of the Plan or to remain current on post confirmation taxes shall be an Event of Default. If the Reorganized Debtor fails to cure an Event of Default as to the tax payments within ten (10) days after service of a written notice of default from a tax creditor then that tax creditor may (a) enforce the entire amount of all of its claims (b) exercise any and all rights and remedies available under applicable non bankruptcy law; and (c) seek such other relief as may be appropriate in this Court. The Debtor shall be entitled to three (3) Events of Default; on the fourth Event of Default the tax creditor has the option to immediately exercise all rights and remedies to collect all amounts due.

The Class 4 Claimant is impaired under this Plan.

5.6 **Class 5 Claimant (Allowed Secured Claim of Independent Bank)** is impaired and shall be satisfied as follows: Debtor Melinda Anderson executed that certain Promissory Note in favor of Independent Bank dated May 25, 2016 in the original principal amount of \$50,000 ("Note # 1"). The Independent Bank Class 5 Secured Claim shall be paid with interest at the rate of 5% per annum over a period of 24 equal monthly installments of \$2,460 commencing on September 30, 2017. Debtor will execute new loan documents at confirmation setting forth the payment terms herein. Independent Bank shall maintain its lien on the collateral until its Class 5 Claim is paid in full.
